

## **MASTERMIND GROUPS ONLINE INFORMATION SESSION**

### **WHAT IS A MASTERMIND GROUP?**

A mastermind group is a peer-to-peer mentoring group used to help members solve their problems with input and advice from the other group members. In a group of 5-6 women, the self-organised group meets every 4 to 6 weeks for around 2h, to brainstorm on their current challenges. It is basically a very powerful co-development opportunity, and you gain high motivation and more alignment in the process.

### **WHAT TYPE OF CHALLENGE TO ADDRESS?**

As an example it could be improving Team management, career, developing business, Job search... and it can be anything you currently need to develop yourself... Including exploring what could be your next step :-)

The groups are formed by the CWF, based on the application form in which you will state your expectations. The groups are formed for a period running over a year, and could be reconducted for a longer period if relevant.

### **TIMING:**
